JAPANESE IRIS

Stately, beautiful, striking, are TUCKDAWA Japanese Iris. Bloom here first of July, prolonging the Iris bloom season. We have been hybridizing this Iris for some years and now for the first time have sufficient stock to offer some of our originations under name or garden NUMBER. Descriptions necessarily brief—but assure you that each is an outstanding Japanese Iris. Your garden is not complete without a few of these stately flowers. Easy to grow—cultural directions with each order. Orders \$1.00 or more to you PREPAID. Include postage, 10c with orders under \$1.00. "S" denotes single; "D" is double or six petaled blooms (Falls). All varieties large flowering on tall, strong stems. Order by number or by name. Strong divisions supplied will give you quick flowering results.

YOUR INVITATION

A cordial invitation is extended you to visit TUCKDAWA GARDEN at your convenience and enjoy with us the various flowers as they bloom in their respective seasons. In our test plantings this year many interesting hybrids will bloom—our own originations, that cannot be seen elsewhere.

GUARANTEE

All plants, bulbs, roots, from TUCKDAWA GARDEN are to be true to name and to reach you in good condition. I will replace any that may prove otherwise. I have no control over their growth in your garden, and my responsibility ends with their receipt by you in good condition. R. H. JONES.
